1648 Taylor Rd #234, Port Orange, FL 32128

January 02, 2011

To our friends in the local business and aviation communities:

Please accept a sincere thank you for your support of the Eagle Sport Aviation Club. We hope that you have enjoyed being a business partner with us so far if you have worked with us in the past, and hope that you will continue to support our organization in the future. If you have not been involved with this club in the past, please consider getting involved in this great flying club.

The Eagle Sport Aviation Club was created to help promote sport aviation to individuals who would otherwise be unable to participate. We have successfully opened up the realm of sport aviation to our members because of the generous support of our sponsors and through donations. Without the assistance of the companies and individuals like you, we certainly would not be able to provide such amazing opportunities to the young people that join our club.

This club has supported and trained pilots in the field of aerobatics, gliding and tail-wheel flying, providing a solid foundation which has lead individuals down a concrete path to a range of opportunities within the aviation environment. Previous members include a variety of aviation dominant fields from airline/corporate positions to competitive aerobatics. With its numerous advantages, this club is looking to continue to provide opportunities for pilots (young and old) to prosper through our organization with your help.

The Eagle Sport Aviation Club will be the host and primary sponsor for the **2011 Phil Schacht Aerobatic Kickoff** being held at the Keystone Heights Airpark (42J) through the International Aerobatic Club **March 24-27, 2011**. As we are a 501(c) (7) organization, we are looking to local businesses to help us in sponsoring this event. Any form of a donation or sponsoring will be appreciated – receipts will be provided for any/all donations. We are looking for assistance in the providing shirts, hats, trophies, food, paint for the “Aerobatic Box”, and other supplies needed to run this event smoothly. All those donating to this event will be listed in our advertising and signage at the event.

We have successfully hosted this contest since 2004, bringing a crowd from all over Florida and the Southeast US. We hope that you will consider assisting us in making this another successful event and kickoff the 2011 Southeast Aerobatic Season! Should you have any questions, or need someone from the club to pick up any donations you wish to make, please do not hesitate to contact me.

Once again thank you for your generous donation. We hope for your continued support in the future.

Sincerely,

A handwritten signature in black ink, appearing to read 'A. Luethi', is written over a light gray rectangular background.

Andrea Luethi

Treasurer
