

Eagle Sport Aviation Club ONE TIME USE Credit Card Payment

Your bill will be electronically paid through you credit card account when it is due. This authorization is valid and used only for one or multiple transactions on a single day. A third party vendor such as Quicken, Intuit, MyFBO, AHT, and others may be used to process payments. Detailed receipts are available upon request while a notice/receipt by email may be generated automatically.

Authorization

I hereby authorize the Eagle Sport Aviation Club, Inc. (ESA) to initiate debit entries (charges) to my credit card account (and for my credit card company to accept and post such debit entries) for the payment of fees, operational costs and other accounts receivable rendered by the ESA as outlined in the bylaws section 1.6 (d). This authorization is to remain in effect for a single day and one time use only. Multiple charges within that day are possible. I have the right to stop automatic payment of charge entries by notifying ESA in writing. ESA must receive this notice no later than 10 days prior to the time the account will be charged in order to make any changes to this authorization. Any erroneous or incorrect charge will be corrected upon notification to ESA.

Termination of this agreement does not cancel any debt that is rightfully owed to the ESA. In addition, upon cancellation of this agreement, alternative payment arrangements must be approved by the treasurer.
